MAINE CHILD CARE AFFORDABILITY PROGRAM (CCAP)

Maine's Childcare Affordability Program helps eligible families pay for child care/camp so they can go to work, go to school, or participate in job training programs. Visit www.maine.gov or call 1-877-680-5866 for more information on how to apply. CLC does not accept subsidy for sports/specialty camps.

SUMMER CAMP SCHOLARSHIPS

Summer camp scholarships are granted to families who need financial support who are not eligible for CCAP through the state, based on income. Please be sure to apply for scholarships through the Y early, as we grant dollars on a first-come, first-serve basis. You can find a scholarship application on our websites.

YMCA MEMBERSHIP

Campers who are members of either the BRYMCA or CLC YMCA receive discounted rates on camps. **The camper must be on an active Family Membership through either the BRYMCA or the CLC YMCA at the time of registration through the camp season in order to receive the Family Member rate.** Memberships can be created upon registration.

LEADERSHIP STAFF

Erin Gray
Senior Program Director, BRYMCA
egray@brymca.org

Erin has been in the camping industry since she was a camper herself! Growing up in residential Girl Scout run camps, she was able to learn how to become a counselor herself at the age of 17. Through her college years, Erin spent her summers at Camp Pondicherry in Bridgton, ME serving a plethora of positions ranging from a lifeguard to the program director. After college, she worked in the corporate world (a very short stint) before returning back to her roots of working with children and their families at the Y. She has been with the Y for almost seven years now and has been serving families in the Boothbay Region community in many ways. Camp K has brought her back into the fold of the camping world, and she couldn't be happier!

Morgan Perry

During the summers from 2011-2014, Lindsey worked as lead staff at Camp Pondicherry, teaching girls how to swim. She also worked for Maine Audubon, Nature's Classroom in upstate New York, and Okemo Ski Resort in Vermont where she shared her love for the natural world. This is Lindsey's 6th summer with Camp K!
